

Brandywine Dance Company

The Brandywine Dance Company, a professional dance company, has won many competition trophies and has performed with world-renowned choreographers at such venues as The Grand Opera House in Wilmington and The DuPont Theatre. Students in the Brandywine Dance Company have performed at Walt Disney's Magic Kingdom, First Night Wilmington, Wilmington Blue Rocks, Carnival Cruise Lines, Wilmington's Baby Grand Opera House, and EuroDisney Paris. Their cutting-edge dance style is renowned throughout the community.

Although we have a professional level dance company, we are interested in offering performing opportunities to all of our students. Encouraging their development in a positive, self-esteem building way is what makes this performing arts program different.

Students are invited to audition for Brandywine Youth Ballet and The Brandywine Dance Company when age-appropriate. Our Youth Ballet performs a winter recital yearly at the Baby Grand Opera House in Wilmington. Our June recital offers a Broadway-caliber production experience to all of our students.

Brandywine Center for Dance offers a lower student/teacher ratio with three spacious studios and ample waiting areas.
